

MEMORANDUM

DATE: January 10, 2019
TO: City Council
FROM: John Pietig, City Manager
SUBJECT: WEEKLY UPDATES

Be Coyote Aware - January is coyote courting and mating season and coyotes require more food during this time. Also, seasonal weather changes in January may increase coyote activity and coyote sightings. This will be especially true if we experience more rainfall than normal this month. Keep your pets indoors in the evening and at night, secure the lid to your garbage cans and dumpsters, do not leave food or water outside - not for your own pets and not for wild animals, and harvest your garden and fruit trees as soon as your vegetables and fruit are ready. If you see a coyote in a residential area, please call Laguna Beach Animal Services at (949) 497-0701. You may also report coyote sightings to coyotes@lagunabeachcity.net.

Moulton Meadows Park Restroom Floor Coating - Beginning on Monday, January 14, the public restroom floors at Moulton Meadows Park will be rehabilitated. The restrooms will be closed for four days to apply the floor coating and to allow it to dry. During the work, two portable restrooms and a hand wash station will be provided for public use. For questions about the project, please contact Dale Schuck, Deputy Public Works Director at (949) 497-0735.

Orange County Point In Time Count - On January 23 and 24 in 2019, Orange County will be conducting a crucial count and survey of homeless individuals and families, called the 2019 Point In Time Count. The results of this count can affect Orange County's approach to fighting and ending homelessness. This count happens every two years and helps track the need for homeless programs and anticipate funding decisions to address those needs. The biggest effort and need for volunteer workers will be on January 23 from 5:00 a.m. to 9:00 a.m. Volunteers will be deployed across Orange County to conduct counts and assessments. Find out more at <https://www.everyonecountsoc.org> or contact the Friendship Shelter at (949) 494-6928 for more information.

Free 2019 Kids Crafts Workshop - The Laguna Beach Public Library is hosting a Kids Crafts Workshop Saturdays in 2019. This is a Laguna Beach Free Family Friendly Event held every Saturday from 9:00 a.m. to 3:00 p.m. Children 12-years and under are encouraged to come to the library to make fun and creative seasonal projects. Adult supervision is recommended. The Laguna Beach Library is located at 363 Glenneyre Street.

Recreation Committee Program Scholarships Available - The Recreation Committee developed a scholarship program designed to assist in providing recreational opportunities to families in Laguna Beach. Program policy information and the application can be found on the Community Services' web
