**TO:** City Council  
**FROM:** John Pietig, City Manager  
**SUBJECT:** WEEKLY UPDATES

---

**Upcoming Storms** - The City of Laguna Beach is expected to be impacted by a series of storms from Thursday, January 31, 2019, through Monday, February 4, 2019, and will bring intermittent periods of heavy rain and potential localized flooding. The most significant part of the storm is predicted late Friday evening and continuing through Saturday. Out of an abundance of caution, downtown and canyon residents and business owners are encouraged to put your flood gates into place Friday night at the close of business as a precautionary measure to protect your property and inventory. As a reminder, the City of Laguna Beach is providing free pre-filled sandbags to residents and business owners from two locations (Act V parking lot – 1900 Laguna Canyon Road and Aliso Beach East parking lot – 31118 Coast Highway). These sandbags are not for contractors.

**Public Workshop for Laguna Canyon Channel Rehabilitation** - At 10:00 a.m. on Wednesday, February 13, the Public Works Department will be hosting a public workshop to discuss proposed rehabilitation and improvements to the Laguna Canyon Channel in the downtown area that is being designed for construction in the Spring of 2020. The workshop will be held at the City Hall Council Chambers located at 505 Forest Avenue.
