

City of Laguna Beach

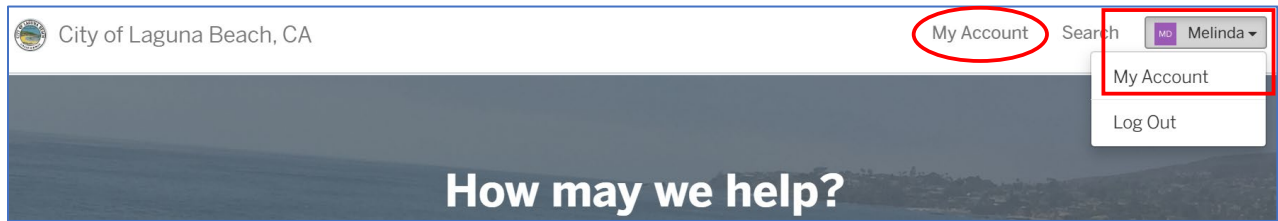

New Permit Software (OpenGov PLC)

How to check the status and manage your application.

To start, visit the following webpage: lagunabeachca.viewpointcloud.com

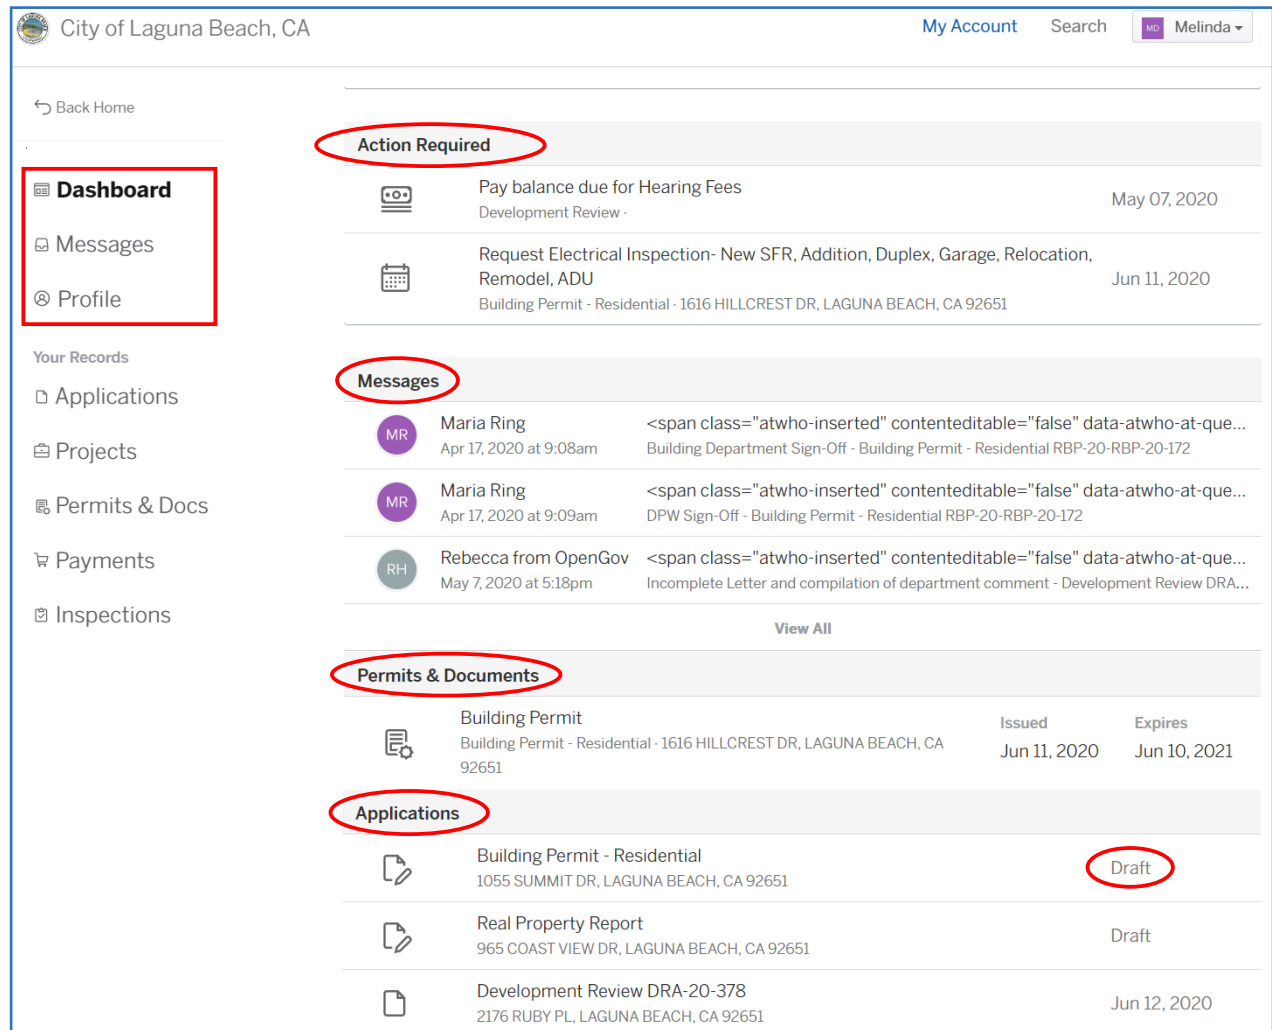

An applicant will be able to access records and check status for any project they are processing. This can be done by clicking the “My Account” button, or utilizing the drop down menu and then clicking the “My Account” option. Please note to use Google Chrome as your browser for the best access to this portal.

1.

After login, the applicant is taken directly to their dashboard, where items requiring their immediate action are located, including any messages, active permits and documents, and applications that show when they were submitted, or if they are in draft form. The applicant can check their messages, reply, and adjust any information in their user profile.

2.

The applicant is also able to see all of their associated records and are allowed to print any permits or documents associated with their records after the City has completed that step in the application review process.
