All applications available to the public to apply for online are organized by City department. Select the appropriate department to see the list of applications available to submit online. You may also type in the application that you are looking for in the search bar.

4.

How may we help?
Access service information and apply online – all from here.

Search for something like "Vegetation or View Application" or "Address/Street Name Change"

Discover Online Services
Choose below to browse services by department

 Building Division Building Permit - Commercial, Building Permit - Residential	 Planning & Zoning Division Real Property Report, Development Review + 7	 Code Enforcement Division Service Request
---	---	---

Once the department has been selected, choose the application type that is being applied for by clicking on the "Select" button.

5.

Building Department

Apply Online

Building Permit - Residential	Select
Fire Permit	Select
Building Permit - Commercial	Select

Click on the "Apply Online" button to start the application process and follow the on-screen prompts to move through the online application process. If requested information is unknown, then click on the [Save Draft and Exit](#) button to be able to return to the application at a future date.

6.

[Building Department](#) / Building Permit - Residential

Building Permit - Residential

Apply Online

Please refer to the following items for additional helpful information in the online application process in OpenGov PLC.

✖ = This symbol indicates that the associated field is required to be completed as a part of the application submittal. The system will stop the application from moving forward until these identified fields are filled out.

❓ = This symbol indicates that there is help text associated with the field. Hover over this icon to see a pop up of the additional information that may help with the application process.
