

MEMORANDUM

DATE: June 13, 2013
TO: City Council
FROM: John Pietig, City Manager
SUBJECT: WEEKLY UPDATES

Summer Swim Lessons - The City's swim lesson program is back by popular demand and registration is filling up fast...save your spot now before it's too late! Lessons are Monday through Thursday for two weeks and will run throughout the summer. For more information on the program or to register, go to www.lagunabeachcity.net and click on "Recreation Activities," or contact the Community Pool at (949) 376-9818.

Pedestrian Safety Day - On Wednesday, June 26, Laguna Beach Officers will be conducting a pedestrian safety day. These previously organized events are meant to bring awareness to pedestrians crossing the busier roadways during all times of day. Police officers often respond to incidents where an errant motorist has either failed to see a pedestrian or a pedestrian entered a crosswalk without pausing to see if the roadway was clear. Decoy Police Department employees will be dressed in street clothing and looking for both types of violators as they cross various intersections along Coast Highway, Laguna Canyon Road and Glenneyre Street.

Frontage Road Sidewalk - Construction began today to install the new sidewalk extension on the east side of Laguna Canyon Frontage Road near Woodland Drive. The work will take two weeks to complete.
