**MOBILITY COMMUNITY WORKSHOP
TO BE HELD WEDNESDAY, DECEMBER 10, 2014**

The Planning Commission and the Parking, Traffic and Circulation Committee are hosting a workshop to obtain community input on the *Draft Enhanced Mobility and Complete Streets Transition Plan*. Please join City staff and the project team for the first review of the Draft Plan. The Draft Plan is the culmination of more than a year of Laguna Beach multi-modal and complete streets enhancement recommendations by the public and the consultant (including several surveys and many public meetings). The Draft Plan will be posted for download from the City's website (at the below web address) at least one-week before the December 10th joint meeting.

The workshop will be held in the **Laguna Beach City Council Chambers** before the regularly scheduled Planning Commission Meeting on:
