

## CITY MANAGER EMPLOYMENT AGREEMENT

This City Manager Employment Agreement (“Agreement”) is made and entered into by and between the City of Laguna Beach (the “City”), a California general law city, and John Pietig (“Pietig”).

WHEREAS, the City Council of the City of Laguna Beach appointed Pietig to the office of City Manager of the City of Laguna Beach, effective December 13, 2010; and

WHEREAS, the City and Pietig now desire to revise and supersede the City Manager Employment Agreement dated April 8, 2017, in accordance with the action approved by the City Council on June 18, 2019, and to be effective as of that date;

NOW, THEREFORE, it is agreed between the City and Pietig as follows:

1. Duties.

1.1 Pietig shall perform the functions and duties as required by and specified in the laws of the State of California, the City’s Municipal Code, ordinances and resolutions, and to perform such legally permissible and proper duties and functions as the City Council may from time to time assign.

1.2 Pietig shall be the chief executive officer of the City and shall be responsible to the City Council for the proper administration of all affairs of the City.

1.3 Pietig shall perform his duties to the best of his ability and in accordance with the highest professional and ethical standards of the profession.

1.4 Pietig shall comply with all rules and regulations established by the City Council and all applicable laws.

2. Term. This Agreement shall be effective through and including June 30, 2021, unless terminated earlier as provided by this Agreement.

3. Compensation. The City agrees to pay Pietig as salary and compensation for his services as City Manager consistent with the changes approved by the City for other City management employees together with the adjustments approved on June 18, 2019. Therefore, Pietig’s current salary of \$267,144 shall be increased by 4.75% (2.25% as applied to all management employees and 2.5% as approved by the City Council for Pietig on June 18, 2019) to an adjusted amount of \$279,833. Effective July 1, 2020, his salary shall be further increased by 5% (2.5% as applied to all management employees and 2.5% as approved by the City Council for Pietig on June 18, 2019) for a total adjusted amount of \$293,825. Pietig shall also receive such salary and compensation adjustments, if any, hereafter approved by the City Council for general management employees pursuant to the terms of any applicable salary resolution, but exclusive of the aforementioned salary adjustments for all management employees already included in his compensation (*i.e.*, 2.25% salary increase on July 1, 2019, and 2.5% on July 1, 2020). In addition, Pietig shall receive such exceptional performance pay, if any, hereafter approved by the City Council prior to the expiration date of this Agreement. The salary and compensation payable to Pietig shall be paid in the same manner and at the same time in accordance with the City’s established payroll program for the payment of other City employee

salaries. The City Manager's salary shall be subject to customary withholding for taxes and other required deductions.

4. Faithful Performance Surety Bond. It is mutually understood and agreed that Pietig will file with the City a faithful performance and surety bond in a principal sum to be determined by the City Council. Said bond shall be paid for by the City.

5. Vacation, Sick Leave, Retirement, Administrative Leave and Insurance Benefits. It is mutually agreed between the parties hereto that Pietig as City Manager shall be entitled to vacation, sick leave, retirement benefits, and any other management benefits in accordance with the City's standard personnel policies. In lieu of any overtime, Pietig shall receive ten (10) days per year of administrative leave. Pietig shall also receive health and insurance benefits in accordance with the City's standard personnel policies. The City agrees to pay to Pietig an additional allowance in a sum equal to two percent (2%) of his annual salary (see Section 3) as deferred compensation.

5.1 Contribution to Costs of Retirement Benefits. Notwithstanding the foregoing, and consistent with changes approved by the City and applied to other City employees, Pietig shall contribute eight percent (8%) of compensation earnable to the costs of his retirement benefits. In addition, Pietig shall further contribute to the costs of his retirement benefits in such amounts, if any, hereafter approved by the City and applied to City general management employees prior to the expiration date of this Agreement.

6. Automobile Allowance. It is mutually agreed that Pietig will receive an allotment of Five Hundred Dollars (\$500.00) per month for use of his own car for City business. The car allotment may be used for automobile expenses and other business expenses not covered elsewhere in this Agreement.

7. Conferences and Memberships. The City agrees to annually budget and allocate funds as necessary to provide for Pietig's membership in the Orange County City Manager's Association, the International City Management Association, and the California City Managers Foundation, and the expenses of necessary travel and living expenses to attend professional conferences and meetings reasonably necessary for his professional development.

8. Review of Performance. The City and Pietig each acknowledge that periodic performance evaluations are an important means by which the City Council and the City Manager may ensure effective communications regarding expectations and performance. Toward this end, the City Council shall review and discuss Pietig's performance on an annual basis in or around January of each year. The evaluation shall be in writing unless the City Council and Pietig agree on a different format to facilitate the evaluation. In connection with such review and discussion, the City Council may consider any adjustments in Pietig's duties and compensation.

9. Termination of Employment. Notwithstanding anything in this Agreement to the contrary, the term of this Agreement may be terminated as follows.

9.1 Voluntary Resignation. Pietig may voluntarily resign his position. Before voluntarily resigning his position, Pietig agrees to give the City Council not less than thirty (30) days' advance notice in writing of his intention to resign. Promptly after the effective date of such resignation, the City shall pay to Pietig all salary and benefits amounts both accrued and owing under this Agreement and any other applicable laws, rules, programs or policies. No

severance pay shall be due or payable in the event of the voluntary termination of Pietig's employment by his resignation.

9.2 Termination by City Council. Notwithstanding the term provided by this Agreement, the City Council may remove and terminate Pietig in accordance with the following:

(a) Without Cause. The City Manager is an at-will employee serving at the pleasure of the City Council as provided in section 36506 of the Government Code of the State of California. The City Council, at any time during the term of this Agreement, may dismiss or discharge Pietig without cause upon notice delivered in writing. Such termination shall include actual termination, a request that the City Manager resign or the elimination of the City Manager's position. In the event the services of Pietig are so terminated upon the initiative and action of the City Council, the City shall pay to Pietig at the time of such termination severance pay equal to nine (9) months of his then annual salary. Pietig shall also be entitled to receive all benefits amounts both accrued and owing under this Agreement and any other applicable laws, rules, programs or policies.

(b) With Cause. The City Council, at any time during the term of this Agreement, may discharge or dismiss Pietig for cause, which for purposes of this Agreement shall be defined as follows:

(ii) That Pietig has willfully failed to pay just debts or has willfully failed to make reasonable provisions for future payments of just debts, after notice has been given him by the City Council, whereby annoyance is caused the City Council or scandal is caused the City because of such failure.

(iii) That Pietig has been convicted of a criminal offense involving moral turpitude. The word "convicted" shall be construed to mean convicted in any manner referred to in section 689 of the Penal Code of the State of California. The words "moral turpitude" shall be construed to mean any act or baseness, vileness, or depravity, or an act done contrary to justice, honesty, modesty, or good morals, or any act done with deception or through corrupt motives.

(iv) That Pietig, through negligence or willful misconduct, has caused damage to public property (including motor vehicles) or waste of public supplies, or has used public property (including motor vehicles) or supplies for other than a public purpose.

(v) Any other intentional or grossly negligent action or inaction by Pietig that materially and substantially: (A) impedes or disrupts the operations of the City or its organizational units; (B) is detrimental to employee or public safety; or (C) violates properly established rules or procedures of the City causing a material and substantial adverse effect on the City's interests as clearly defined and delineated by properly established City Council action taken by the City Council as a body, policy, regulations or ordinances of the City.

(vi) That Pietig has been willfully and intentionally absent without leave, or has willfully and intentionally failed to report after leave of absence has expired.

(vii) That Pietig has willfully failed or refused to appear in obedience to lawful process or order of the City Council or to answer questions under oath, before the City Council or before a duly authorized committee of Congress of the United States or of the Legislature of the State of California, or a committee or subcommittee of said Congress or Legislature, or before any authorized court, office or tribunal, or before a Grand Jury, on any subject relating to (1) matters connected with the conduct of official business of the City or of any division, department, board or commission thereof, or (2) any of the matters set forth in sections 1028 and 1028.1 of the Government Code of the State of California.

Promptly after the effective date of such involuntary termination, the City shall pay to Pietig all salary and benefits amounts both accrued and owing under this Agreement and any other applicable laws, rules, programs or policies. No severance pay shall be due or payable in the event of such involuntary termination for cause.

10. Other Terms and Conditions of Employment. The City Council may by resolution from time to time fix other terms and conditions of Pietig's employment as the City may determine relating to the performance of his duties as City Manager, provided such terms and conditions are not inconsistent or in conflict with the provisions of this Agreement, the City's Municipal Code, and all applicable laws.

11.4 Conflict of Interest. Pietig shall not engage in any business or transaction, or have a financial or other personal interest or association, direct or indirect, that is in conflict with the proper discharge of his official duties or that would tend to impair the independence of his judgment or action in the performance of his official duties.
