

# **NOTICE OF PUBLIC WORKSHOP**

## **CITY OF LAGUNA BEACH FIRE DEPARTMENT**

The CITY OF LAGUNA BEACH FIRE DEPARTMENT will hold a public workshop regarding:

### **SOUTH LAGUNA FUEL MODIFICATION**

**DATE: August 31, 2021, at 5:00 P.M.**

**LOCATION: CITY COUNCIL CHAMBERS (CITY HALL)**

**505 Forest Ave. Laguna Beach, Ca 92651**

The City of Laguna Beach is holding a public workshop to present a proposal to install a fuel modification zone in the South Laguna community and to gather public input. The project will involve removing highly combustible vegetation from slopes above and below homes. Preliminary maps and project documents are available for review on the City's web site under the "South Laguna Fuel Modification" tab at the following link:

[https://lagunabeachcity.net/cityhall/fire/south\\_laguna\\_fuel\\_modification\\_project.htm](https://lagunabeachcity.net/cityhall/fire/south_laguna_fuel_modification_project.htm)

The City encourages anyone with questions or concerns regarding this matter to attend this hearing. If you are unable to attend and would like to provide comments, please contact Patrick Antrim at (949) 464-6683 or [pantrim@lagunabeachcity.net](mailto:pantrim@lagunabeachcity.net).

To attend the workshop virtually, please follow the link below:
