

# Sewer Lateral Inspection Required?

**[CSLB plumbers can sign up at: www.goforwardlateral.com](http://www.goforwardlateral.com)**

## To Get Started:

1. CSLB Plumbing Contractors, visit: <https://www.goforwardlateral.com>
2. Click the get started button, click register a new account
3. Enter company information and start submitting in the database!
4. Bring Water Quality confirmation email to Building prior to (or at) permit issuance.

**Note:** A CSLB license is required to submit with a \$37 fee per address. You can submit using a smart phone or computer. Please watch the how to video at [www.goforwardlateral.com](http://www.goforwardlateral.com) for a detailed presentation of the entire process if you would like more how to instruction.
