Subject: Extensions of Time for Tolled Permits - Clarification

Dear Design Professionals,

Please see the below clarification:

The emergency ordinance which tolled permit deadlines was last extended on 3/25 and had a grace period of 60 days. The permit timelines that were halted will begin again on 5/25, but it does not mean that the permits will automatically expire at that time. Please submit extensions of time for your affected permits. If you have any questions, please contact us.

Thank you,
