Subject: RE: Fun Video

Hello Builders and Design Professionals,

Last week the Community Development Department gave a presentation to all City staff, about the value of diversity in our workplace. We have a diverse staff with experience in multiple disciplines, and a diverse customer base including homeowners, businesses, architects, engineers, builders, lawyers, etc. We created a short video, showcasing how much we enjoy working with our customers, and getting to know their pets. Enjoy! (click [here](#)).

Marc Wiener
