

LAGUNA BEACH LOCAL CAR & BOOSTER SEAT POLICY

California Law States:

All passengers under age 8 must ride in an appropriate Child Restraint System, such as a safety seat or booster; and all passengers under age 2 must ride in an appropriate rear-facing safety seat.

Rear Facing Car Seat

Children under 2 must ride rear-facing unless the child weighs 40 or more pounds OR is 40 or more inches tall.

Car and Booster Seat

Children under the age of 8 must be secured in a car seat in the back seat. Children should weigh at least 40 pounds before using a belt-positioning booster seat.

Safety Belt

Children who are 8 years of age or have reached 4'9" in height may be secured by a booster seat, but at a minimum must be secured by a safety belt.

Caregivers must provide an appropriate safety seat and install it in the vehicle. While drivers can provide information about LATCH (lower anchors and tethers for children) attachment points, they cannot assist caregivers with installation.
