Please initial below after reading and understanding the following policies:

____ I understand that the City of Laguna Beach has an exclusive franchise agreement with CR&R. Use of containers provided by another solid waste hauler is prohibited in accordance with Laguna Beach Municipal Code Section 7.16.220 and 7.16.230. (Option 1)

____ I understand the use of containers owned by a licensed construction or demolition contractor or subcontractor are only permitted if used as part of the scope of work and that the containers are properly labeled with the contractor or subcontractor's company's name. (Option 2)

____ I understand it is prohibited to use residential trash, recycling, and/or green waste carts for C&D debris waste generated from this project. The property owner will be charged a contamination fee by CR&R, and if applicable, a replacement fee for damaged carts.

____ All subcontractors on the project must be notified of the project's Waste Disposal Plan.

Will you generate universal waste (televisions, household appliances, computers/other electronic devices, batteries, fluorescent lamps, cathode ray tubes/glass, non-empty aerosol cans, mercury thermostats, and other mercury containing equipment, among others.)? **Yes** **No**

The following methods will be used to reduce the amount of waste generated (check all that apply):

- Efficient design (dimensions of building components are designed to available material or standard sizes).
- Careful and accurate material ordering. prefabricated construction

Compliance is required with the California Building Standard Codes (section 4.408.1 & 5.408.1) and Laguna Beach Municipal Code Chapter 7.19. **Failure to comply may result in forfeited security deposits.** For Debris Box Service with CR&R, the city does not issue roll-off placement permits. For questions regarding container placement, please contact the Building Division's Permit Technician at 949-497-0798 or 949-497-0379.
