# Recommendations

1. Approve the attached Engineer's Report for the proposed Underground Utility District 2021-02 (Park Avenue);
2. Adopt the attached Resolution establishing the proposed Underground Utility District 2021-02 (Park Avenue) which calls for the undergrounding of the existing overhead utilities within the district by the end of December 2024; and
3. Direct staff to request that utility companies proceed with design for the proposed undergrounding district and authorize the City Manager, or her designee, to enter into necessary utility company agreements and make advance payments to the utility companies for their designs subject to adoption of the FY 2021/2022 budget.
